**Brad S. Kirkpatrick**  
Senior Vice President, Business Development  
Best Doctors, Inc.

Mr. Kirkpatrick has worked in the healthcare industry in a sales and marketing, business development and operations capacity for over 20 years. Mr. Kirkpatrick began his healthcare career in the managed care industry and later became the first employee hired for a start-up health plan in the Midwest. Later, Mr. Kirkpatrick was provided the opportunity to represent large employers as a consultant for a national firm as well as run a division with over 100 associates for a fast growing publicly traded Pharmacy Benefits Manager (PBM). Mr. Kirkpatrick jumped at the opportunity to be involved in a true healthcare start-up which led to his position as Chief Operating Officer as well as Board member. Mr. Kirkpatrick has been with Best Doctors since October 2004 and helped bring the Group Health product to market in early 2005. Mr. Kirkpatrick holds a Bachelors of Science in Business Administration - Finance from the University of Missouri (Magna Cum Laude).
